On the 23th september 2020, 4 vehicles came to Sohail Enterprise from Comilla factory. A vehicle glass(G5220140) was found broken when assembly to the vehicle. The glass needs to be changed to sell the vehicle.

Chassis: MD6M14CL7K4P00145

Engine: OL4PK4500368

Kausik Da → few months the dealer received 4 vehicles in carian van and one of the windshield glass

was ~~bro~~ cracked.

Since the dealer lately informed here as a

8pl. case please approve 1 no. of windshield

glass in FOC basis to dealer. we will claim

to TUSH as a 8pl. case later. (mision)
